PROFILE

Information Technology student with practical experience in developing full-stack web application using MongoDB, Express.js, react.js, node.js. Focused on building scalable, reliable web applications. Looking for a challenging MERN stack Developer role to contribute to the growth of organization and gain the practical industry experience.

EDUCATION

B.Tech in Information Technology (2023 – 2027)

Madhuben And Bhanubhai Patel Institute of Technology, CVM University, New Vallabh VidhyaNagar | CGPA: 9.40/10.0

Class XII (March 2023)

Saraswati Education and Medical Trust, Borsad | Percentage: 79.84

Class X (March 2021)

The H. M Patel English Medium School, Dharmaj | Percentage: 90.5

TECHNICAL SKILLS

Languages: C, C++, Python

Frontend: HTML5, CSS3, JavaScript, React.js, Bootstrap

Backend: Node.js, Express.js

Database: MySQL, MongoDB

Tools & Technologies: Git, GitHub, REST APIs

PROJECTS

AgroConnect – Product Management Platform

Developed a full-stack web application enabling farmers to register and manage agricultural products without third-party involvement. Implemented secure user authentication and CRUD operations, allowing users to add, update, and delete product details efficiently. Designed RESTful APIs and integrated frontend with backend to ensure smooth data flow and responsive user experience. Incorporated product search functionality to improve accessibility and usability of the platform.

Tech: React (Hooks, Axios), Node.js, Express.js, MongoDB, JWT Authentication, REST APIs

HireHub – Job Portal Platform

Built a full-stack job portal enabling users to register, login, and explore job listings with secure authentication. Developed RESTful APIs for job management and application handling using Express.js and Node.js. Designed and managed database schemas for users, jobs, and applications in MongoDB. Implemented job search and application features, allowing users to apply and track basic application status through an intuitive interface.

Tech: React (Context API, Hooks), Node.js, Express.js, MongoDB, JWT Authentication, REST APIs

CERTIFICATION & ACHIEVEMENTS

- **Academic Award** – 2nd sem (3rd rank)
- **Hackathon Participation:** Smart India Hackathon (SIH) 2025
- **Student member:** The Indian Society for Technical Education (ISTE) (2025-2029)
